"Henceforth"

What is the Practical Meaning of the Word "Henceforth" in the Bible?

I think this word "Henceforth" has been used in a way to make it prove things that it does not prove. and I don't think the Bible teach the thing that is Prove by the word Henceforth. The word Henceforth is used much in the Bible and I am going to try to get its Practical use But the Reader. for I know that some Body has the Wrong use of the Word. Some of the Brethren Prove By this use of the Word Henceforth that Jesus Eat the of the Loof. he Blessed and Brake. and called it his Body, and after Jesus had Eaten he Commanded the Disciples to Eat of the Body & the Brothren use the Same. Henceforth and Prove's that after Jesus had Blessed and Brake the Loof. gave to the Disciples and let Eat and after the Disciples had

7 Eaten That Jesus Took and Eat
So this make us see that Some
Body is using the word Wrong.
And I think they Both Wrong — I Don't
Meant to See You that I am Almost
Even Equal to Each one of The Bro's
But I Think They Build The House
And Then Trying to Lay the Foundation
