The Practice

The Church of Christ. That I Bob musgrave. Stand in fellowship With Practice. In The Communion The man that Serves at the Table Offers Thanks for Both The Bread and The Cup.

He Takes The Loaf. and gives Thanks for it, and Brakes the Loaf into Two Piece. Then the Loaf is Past to The Congregation for Them to Eat of the Loaf

Then the man at the Table Takes The Cup offers Thanks Then it is Passed to The Congregation for Them to Drink of.

This we Believe is Just the way Jesus Served it to The apostles

The Practice

The Church of Christ - that I J.D. Phillips. Stand in Fellowship with Practice in the Communion - The Man That Serves at the Table offers Thanks For Both The Bread and The Cup -

He Take The Loaf and Gives Thanks For it - and Breaks off a Bit and Eats it. and Then Passes it to The Congregation for Each of Them to Break off a Bit and Eat it -

Then The man at the Table Takes The Cup offers Thanks and Drinks of the Cup Then Passes the Cup to The Congregation for Them to Drink

If We Believe this is Exact the Words Jesus Served it to His Apostles
