WHY?

They are gathering there--for a one week meeting of gospel preaching climaxed by a three-day fifth Sunday meeting.

WHEN?

The meeting will begin--JULY 22, continueing through Thursday night the 26th. of July. Friday night the 27th. will begin the fifth Sunday services with one service Friday night, three services Saturday, and three services on Sunday. There will be a guest speaker for each service of this week-end meeting, and there will be singing like never before heard in those parts; and there will be all you care to eat. I plan to be there myself for this week-end meeting to get to know you better and to talk for you.

So make all your plans to coincide with this date. We will see you there the last week of JULY. Accomodations will be available for those travelers from afar, so come and be with us.

AMOS S. BEAVER, Market Street Church of Christ, San Pablo, Calif., May I7---Dear Bro. Snoderly:-- Just a few lines to let you know the church in San Pablo is not doing very well financially. The membership has decreased considerably since we bought the church building in I957. Some of the brethren have passed on, and some just can't meet the obligations to the church. So at our last business meeting it was decided that we would have to stop sending the $3.00 each month to help support the Courier. I am very sorry about this and I know when our financial problem is solved, the congregation will want to continue their support of the paper. We like it very much and we also think you are doing a wonderful job with it. So keep up the good work. My dad has been in the hospital but is back home now doing very well, but a little weak. He relaxes around the house quite a bit these days and that is very unusual for him, because he is always very active. He is 80 years old. My mother is doing very well. She has been staying with one of my sisters while dad was in the hospital. She is home now, but is crippled and confined to a wheel chair and crutches, and she can't get around much to do the house work any more. They attend church services regularly. I am sending you a dollar for a years subscription to the Courier, and I guess some of the others will send for it to. I truly hope so. May the Lord bless you in your work for the church. ---Yours in Christ.

BRO. & SISTER DONALD DABBS, P. O. Box II3, Duchesne, Utah.--Dear Bro. Snoderly:-- We have enjoyed the Gospel News Courier very much, although we have not received it since we moved to Duchesne, Utah from Norwood, Colorado where we met with Bro. and Sister Baldwin in Delta, Colo. Duchesne is II9 miles east of Salt Lake City, and we have not been able to locate the true church as yet, so we are meeting in our home. If anyone knows of any brethren in this area, please let us know. We are willing to drive quite a distance in order to meet with someone. We have church at our home every Sunday at I0:30 A. M. We welcome anyone that is passing our way that care to stop. They will find a hearty welcome any time. We are also sending a small donation to the paper. Your Bro. & Sis. in Christ.

SISTER LAURA E. WILLIS, 205½ S. OLIVE, CARLSBAD, N.M.

Dear Bro Snoderly I received the Gospel News Courier and enjoyed it as usal. I want to exhort all members of the church to contribute generously to the paper, that it may increase in size. That it may do more good for the cause of Christ. Bro Snoderly I would be glad if some one would write a article in the Courier on the office or the work of the Holy Spirit, also the gift of the Holy Ghost.

When Peter told the people on the day of Penticost they would receive the gift of the Holy Ghost, did he mean they would receive a direct operation of the Holy Spirit?

Sincerely a Sister in Christ. (If some of you brethren have a article on this question please send to the Courier for publication. ED.)

BRO STANLEY NIEMCZYK 2745 E TURNEY AVE, PHOENIX, 16 ARIZ.

Dear Bro Snoderly Thank you for the Gospel News. We enjoy them very much. We are recovering very good from our operations thanks to the good Lord. I think it is wonderful to print the reports from all the churchs, it brings them closer together. Keep up the good work and may God bless you. Give our best regards to the Brethren.

Yours in Christ

BRO R H PEEL, CROSBYTON, TEX. 5-21-62

Dear Bro Snoderly I have been thinking of writing you to see if I could get some copies of the Feb. issue of the Courier. I gave away all I received of that issue and when they had read them they threw them in the trash like a daily news paper. When they told others about what was in it they came for a copy, so please send me several copies if you have any left. I never though of having started an interest amoung the people here. Thanking you for everything as ever your brother in the one blessed spirit.

(Anyone interested in copies of past issues of the paper may have them by writing for them as we always print several extra each month. ED.)

Have you planned a meeting for this summer? There are several preachers available during the summer vacation of school. If not call one now and send us the news. ED

BRO. & SISTER TOM BROADWAY, 6402 Calle Alkaid, Tucson, Ariz.-- By the time this appears in the June issue of the paper, we will have moved to Tucson, Arizona, if it is the Lord's will. It is with deep regret that we will be leaving behind some of our most loved Christian friends in the Los Angeles area. For six years we have been among the brethren of this area working with them in the church in troubled times and in joyful times. So it is with heaviness of heart that we bid goodbye to our friends here and with anxiety and great anticipation we look forward to settling in Tucson. For with each move we have made in the past we have been blessed spiritually, ourselves and by helping others to find Christ by way of the gospel, and also material blessings have come our way. Roy, please insert a request in the paper for the brethren to please send me the names, addresses, and phone numbersof any Christian, friend or relatives they know of in Tucson, and that area, that we can contact in regards to the church work and worship. We plan to hold services in our home, but anyone passing through desiring to worship with us, should let us know they are coming as we will plan on visiting other congregations occasionally.

Please take note of our new address as given above.

--Yours in Christ.

J. H. LACKEY, Rt. I, Box 6, Springfield, Colorado. May 16.-- Dear Bro. Snoderly: I am writing this letter hoping it reaches you in time to get the announcement in the next issue. We here at Springfield are expecting Bro. Loyd Treat to begin a meeting for us the night of the first day of June and to run for the next 2 Lord's days, June 3rd. through June 10. I helped brand some calves for a neighbor this morning and this evening we are getting some much needed rain. All here are well and enjoy read- the reports and articles in the Courier. Yours in

Christ. (Bro. Lackey, I am very sorry that we did not receive your letter in time for last month's issue. But I hope you had a very successful meeting with Bro. Treat. I am so sorry I did not get to meet Loyd while he was in California, but he was here only one night. Maybe we will have better luck next time on both counts. Editor)

BRO. & SISTER ROY DABBS, Rt. I, Box I9, Aztec, N. Mex. Bro. Snoderly: Sorry we haven't written sooner. The church here is doing very well, considering everything. We always have services twice on Lord's Day, I0:30 A. M. and 7:30 P. M. We want anyone passing through to stop and visit with us. Many have moved away. We want to thank the church at La Habra, California and everywhere for their kindness shown to our daughter, Betty Thompson, while in Duarte, California at the City of Hope for a heart check and phneumonia, and for finding out about the blood she will need when she has the heart operation. They think it will be about the 3rd. of August. We plan to be there if the Lord is willing. We enjoy the Courier.

(Bro. Elmer Hunt went to visit Betty while she was in the hospital and checked to find out for her and her family what would be needed. The blood required will be furnished live by the Marine Corps, but it will have to be replaced. The operation will require 25 pints of which so far 5 have been pledged by friends and neighbors in Bakersfield, California where she lives. We are asking all who can to give blood to help Betty in this time of need. You can give yours anywhere in the U. S. A. simply by going to any blood bank and pledging your donation of blood to BETTY MARGARET THOMPSON, City of Hope, Duarte, California. I know that Betty and her folks, Bro. and Sister Roy Dabbs will greatly appreciate your help. This blood can be given any time in the near future. You have our thanks in this matter. Your servant in Christ, Roy L. Snoderly, Editor).

BRO AND SISTER HOWARD STUDER, BOX 84, LORENZO, TEX. Dear Bro Snoderly We have been neglecting our writing but will write a few lines today. Bro Jack White and family were here April 22nd and he gave us a wonderful lesson. Bro S. F. Wallace and family also visited us the same day. We were glad to have them all. Bro Lloyd Treat came by on his way home from California and gave us two very wonderful lessons. Bro Treat has our sincere sympathy in the loss of his mother. Sister Felix Franklin of Goree, Tex. and Sister Solsbery of Tahoka also visited us May 28 and 29. We were glad to have them all, too. ceding the 5th Sunday meeting in Lorenzo, Texas. From there he has plans of going to New Castle, Texas, and to other commitments in the mid-west. He is available to hold you a meeting this summer. Do not fail to contact these two brethren while they are in your area. You will not regret your decision to use these two men of God in your meetings.

We would like to welcome to our list of faithful churches, the new church located at Tacna, Arizona. May our prayers be for them, and may they grow both in strength and in number. We must commend Bro. Harry Dye and Bro. Morris and all others who have put forth time and effort to make this possible. Let us hear from you in Arizona.

CLAUDE PERIGEN, 8748 E. Artesia Blvd., Bellflower, California. -- Dear Bro. Roy:-- Bro. Lawrence Starnes moved from our midst, and also Bro. & Sister Tom Broadway, Stevie and Lynn. We really do miss all of them very much. The Broadways' hope to start a congregation in Tucson, Arizona, if they can find anyone there to meet with. If anyone knows of a person or persons in that vicinity, let them know as soon as possible. Bro. Snoderly preached for us a couple of Sundays ago. We enjoyed it very much Bro. Roy, and hope you can do so again soon. Bro. & Sister Niemczyk and daughter Stanna, are visiting in the Los Angeles area and were with us Sunday in our services. Most all here and in La Habra, have known them for several years. We hope they can soon be with us again. Sister Zelma Broadway is feeling better, and also Bro. Geo. and Sister Meadows. Bro. and Sister Jerry Perigen have moved into their new home at 17103 Bixby Ave., Bellflower. When you are in town, drop in and be with us and with Jerry and Betty.

We have had many absent from our services here at La Habra because of illness both here and elsewhere. Sister Wyoma Cavin and Sister Myrta Lee Clouse were called to the bedside of their father, Bro. Conder of Modesto this Past month. We missed them in our services and were saddened by the news of Bro. Conder's illness. We are glad to report he has improved in health.
