IT IS WRITTEN

A Letter from Bro. W. E. Daniels

Ozone Ark.

Dear Bro. Garrison:

I recieved IT IS WRITTEN and don't know words that would fully express my thankfulness to see IT IS WRITTEN coming a gain, and I extend to you and Bro. Atchley my congratulations. I have just written Bro. Atchley and sent him the activities of the little church here, I used to send them to Bro. Bedingfield. I was personally acquainted with Bro. Bedingfield and have worked with him with the church in New Mexico, and found him to be very loyal in the faith.

May God bless you and Bro. Atchley in your fight for the faith of our Lord.

Yours in Christ,
W. E. Daniels

To the Brotherhood:

It was indeed a pleasure to receive the kind letter from Bro. Daniels. Although I have never met him I feel as if I have known him for years. I do hope that he is enjoying life, and living in that one hope that some day he might receive that crown that fades not away.

THE MAN OF GOD- Psa. I

In Psalms of David the first chapter we have a lesson that is well worthy of our consideration. David said Blessed is the man that does not walk in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord: and in his law doth meditate day and night.

Even though I have only taken two verses from this chapter, there is much to be said on these and these alone. David is speaking of the man or woman that is not walking with the ungodly, but on the otherhand is day and night found meditating in the things found written. There is much that is written, that behooves us to find that which IS written, and in so doing, we will never be looking for a new way, but rather find the old paths and be content to walk therein. Phil. 4:19 My God shall supply all your need.

Written in the hope that we might all walk together.

Yours in Christ,
Coy Garrison

Dear Brethren:

I certainly was glad to get, "It is Written", by you brethren, in yesterdays mail: and I believe the brethren in general will support the work.

Every word of it was read and reread with interest and I have strong confidence in you both that "It is Written" will fulfill its mission.

Our attendance on Lord's day is not so large as it was some time back. Some have moved permantly to other places; others are off at work in the harvest.

May the Lord bless his own wherever they may be to further the

gospel and do his will, that we all may have a part in the home of bliss is my prayer.

Yours in Christ
J. S. Bedingfield,

The church here has lost some members by their moving away, but we as soldiers of our Lord continue the fight for the faith once delivered to the saints. Have good attendance of the members, but very little outside interest. Any member passing this way will be more than welcome, and we asure you the services will be thus saieth the Lord.

Yours in Christ

Dear Bro. Atchley,

Received a copy of your paper last Sunday from Bro. Pamplin at Long Beach.

I think the paper will be a good way for the church members to become better acquainted.

Would like for you to send the paper to my brother, Charles Jared, 810½ E. Michigan, Michigan City, Indiana.

Sincerely
J. L. Jared

Dear Brethren:

I have just received the copies of <u>It Is Written</u>. You don't know how glad I was to get them, and to know that there was someone that is willing to step in and carry the work of the Lord on since Brother Bedingfield's health has failed. May God bless him for the good work that he has done, is my pra yers, and that his health may be restored to him. He is needed so bad.

Brethren my prayers is for you, that the Church puts all its force behind you Brethren, and help you to put the work over. If we can, and will su pport a good paper, we can expose more error in six months than we can in ten years without it. And as for me, I have 100.00 dollars to help pay for a press, and will guarantee One Hundred more for the Church.

There is nothing that we need any worse, to my way of seeing things. We haven't even got a shadow of a chance, without a Gospel paper. We don't even know our closest Gospel preachers, and we have lots more of them than we might imagine, if we had a way of finding them out. God has given us this knowledge of carrying his work to the utmost parts of the world, why not use our knowledge? Brethren think of this, and all of us get behind Brother Atchley, and Brother Garrison, and put this over. They will need help to do it, let's all send in what we can help, and get a good paper started.

May God bless them in this good work.

I have just re-read your first issue of "It is Written" and am thoroughly in accord with your thoughts on the need for unity of the brethren.

We are very grateful to you and Bro. Garrison for taking up this work which will do so much good towards keeping the different congregations drawn together in the "unity of the spirit in the bond of peace".

I think the congregations who receive these papers should finance the expenses incurred for supplies, printing, and mailing. You who give of your time, efforts, and thoughts in preparing these papers make the big sacrifice. So I am sending a money order for $10.00 to help with the work.
