Philippians 1:27

"*Only let your conversation be as it becometh the gospel of Christ: that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one spirit, with one mind striving together for the faith of the gospel*" (KJV).

The word "conversation" does not merely mean our talk and conversing with one another, but the whole course of our life and behavior in the world. The Greek word signifies the actions and the privileges of citizenship: and thus we are commanded to let our actions, as citizens of the New Jerusalem, be such as becometh the gospel of Christ. What sort of conversation is this? In the first place, *the gospel is very simple*. So Christians should be simple and plain in their habits. There should be about our manner, our speech, our dress, our whole behavior, that simplicity which is the very soul of beauty. The gospel is *pre-eminently true*, it is gold without dross; and the Christian's life will be lusterless and valueless without the jewel of truth. The gospel is a very *fearless gospel*, it boldly proclaims the truth, whether men like it or not: we must be equally faithful and unflinching. But the gospel is also *very gentle*. Mark this spirit in its Founder: *"a bruised reed He will not break."* Some professors are sharper than a thorn-hedge; such men are not like Jesus. Let us seek to win others by the gentleness of our words and acts. The gospel is *very loving*. It is the message of the God of love to a lost and fallen race. Christ's last command to His disciples was, *"Love one another."* O for more real, hearty union and love to all the saints; for more tender compassion towards the souls of the worst and vilest of men! We must not forget that the gospel of Christ is *holy*. It never excuses sin: it pardons it, but only through an atonement. If our life is to resemble the gospel, we must shun, not merely the grosser

vices, but everything that would hinder our perfect conformity to Christ. For His sake, for our own sakes, and for the sakes of others, we must strive day by day to let our conversation be more in accordance with His gospel.

Summited with "Christian Love" for your concertation.

Cards and Letters

Gleed, WA

Brothers and Sisters in Christ, Greetings.

I am writing this letter to inform everyone on the status of Bro. Troy Solomon and the circumstances surrounding his accident. Troy is a member of the Gleed, Washington, Church of Christ. In a nutshell, while Troy was at work, he was working on the roof, tripped and fell through a skylight 20-25 feet, and landed on a concrete floor. Troy was then taken to the ER in Yakima and his injuries were evaluated. The evaluation concluded that Troy needed to be flown to the Harborview Hospital in Seattle. This was necessary due to the severity of his injuries. When Troy arrived at Harborview, he was admitted into the ICU Trauma ward, where the doctors and surgeons immediately began assessing and stabilizing Troy. Currently, Troy has fluid on his heart and lungs and has now begun treatment for phenomena. This issue needs to be resolved prior to any surgeries being performed on his facial fractures, sinus cavities, broken left arm and elbow, three broken ribs on left side, broken fibula, tibia, and femur on right leg, torn ligaments in left leg, and multiple missing teeth. Please pray for Troy and for his family in their time of need.

In Christian Love,

Bro. Mike Geho, Sr.

P.S. It's Monday morning now and the doctors have ordered an Operating Room for today to repair the upper thigh bone on the right leg as much as Troy can tolerate. In future days and weeks there will be at least 6 more surgeries as well as facial reconstruction.

Lorenzo, TX

Greetings from Lorenzo, TX:

For the most part everyone at Lorenzo is doing fine with the exception of Sis. Earlene Jared who is still in a fight with cancer in spite of an extreme regimen of chemo, radiation, and shots to raise white blood cells. She has been able to attend church services. Also Bro. Jerry McCay who occasionally has to have eye shots for Macular Degeneration has, thankfully, not needed to have a shot in his eye the past couple of months. Sis. Reba White had missed going to church some because of pneumonia. Sis. Becky Forsman took a couple of recent tumbles but appears to be moving about just fine. Please keep them all in your prayers.

We had a couple of graduations recently: Sis. Katie Matlock from high school and Bro. Shiloh Boling received a Bachelor's Degree in Psychology at Lubbock Christian University. Congratulations to the both of them!

Recent visitors to the Lorenzo congregation include Bro. Steve & Sis. Oletta Spurlin; Bro. Skip & Sis. Pam Berry; Bro. Bill Jared; and Sis. Sheena Leatherwood & Daphne.

Some of the brethren from Lorenzo plan to attent the 50th anniverary of Bro. Stanley & Sis. Judy Goodwin on June 25, 2016. Congregatulations to the both of them!

Kevin, Maria, & Ayden traveled back to the Seattle, WA, area to take care of some business. They hope to be back sometime in the near future.

Bro. Dan & Sis. Karen Greenway of Creswell, OR, received title to 2 lots of property they hope to develop in the near future a few blocks from the Lorenzo church. Eventually they hope to have 4 slots for RV parking.

We received a treat Sunday, June 12th, when Bro. Joseph Matlock gave his first sermon which was on the 1st chapter of Job. Hopefully, there will be many more to come. Congratulations, Joseph!

Remember our meeting this summer, July 31st through August 7th. Brothers Bill McCay, Jr. and Roger Walkingstick will be our guest speakers. All are welcome.

In Christian Love,

The Lorenzo, TX, congregation

Pleasant View, Stilwell, OK

Brethren,

It has been quite a while since I have written, so I will do so now.

Everyone here is doing okay, health-wise. We older ones have our aches and pains. Sis. Jessica Chastain recently had surgery, but is doing well.

Our Labor Day meeting will be September 2-4. Bro. Jerry McCay will be the speaker. Everyone is welcome.

On May 8th, Bro. Jacob Fuson and Sis. Anna Thompson were united in marriage at the church. I did the ceremony. Both are members of the church of Christ at Pleasant View. They will be making their home in Liberty, OK, as Jacob has purchased a home there. We wish them a long and happy marriage. Jacob is the son of Bro. Robert and Sis. Christina Fuson, and my grandson.

We have two young ladies graduating high school this year: Julie Fuson and Tatum Seaton. Julie will be attending Carl Albert State College and Tatum will be attending the University of Arkansas in the fall.

Enclosed is a check for The Courier.

Dear Brethren,

We don't have much to report this month. We are certainly looking forward to our meeting coming up in July. Our speakers have been finalized with Bro. Terry Warford of Glenwood, WA, and Bro. Kurt Harper of Waterford, CA, doing the preaching.

I'm sure there will be some good preaching, singing, fellowship and also some good food. I will say once again that we look forward to seeing the many of you who come each year and hope that some who have never been here will come to be with us. All are welcome; anytime.

Probably the best news that we have to report this month is that two of our young members will be graduating from high school in June, Bro. Wyatt Parham and Sis. Sierra Dean. They both excel in their studies and our prayer for them is that they will continue on with their education and their walk with our Lord.

Delta Colorado, Big Spruce Camp 2016 July 17-24

Camp will be available for us to move in Saturday July 16th after 4:00 PM. Our camp meeting will begin with our Sunday morning worship and an evening service July 17th. Each evening, Monday through Saturday we will have an evening service and our last day will be our Sunday morning worship, July 24th and we will clean camp and be out by 2:00 pm. We always plan at least one late afternoon meeting during the week for the young men who want to participate.

Remember, this is a family church camp. That means we will be studying the Bible. Please bring one to read from. We ask for King James Version Bibles so all are studying from the same and can follow the reading. Please use this version for all your lessons for those who will be preaching.

What is appropriate dress for a church camp meeting? The camp rules from last year applies to this year. NO short shorts, they must be to the top of the knees and no wide legs. Yes boys and men, this is for your shorts too. NO short dresses, they must touch top of the knees and no cleavage showing please. No sundresses and large open sleeves or sleeveless shirts and blouses.

Camp cost this year is $15.00 each day for each person 6 years and older, 5 years and younger is free. (Although if anyone cannot afford this, please come anyway.)

We are asking for donations to help cover the camp cost. If there is anyone or congregations who can and wants to donate please let us know. We will be happy to talk to you and to let you know how to get the money to us. This money will help with the food cost and we are hoping to get enough help to pay for the use of the camp facilities. This is a camp that we rent and we must pay for the use. Goal set by the group last year was to have enough money donated to pay for all the food and the cost of the camp rental. We are asking for your help to reach these goals. Please contact John or me and let us know how much you can donate?

Thank you and may God Bless you.

News From Abroad

Harlingen, TX (May 2)

Dear brethren in Christ,

By means of this simple letter I send you greetings, hoping you may be enjoying good health in the Lord.

I inform you that during April we had much work in northern Mexico. During some months we were studying with several persons in the city of San Fernando Tamaulipas, Mexico, and the 24th of April we established the new church in this city with 14 members. This city is 4 hours from Harlingen, TX, and I am studying with these new brothers on Saturday afternoons and on Sundays to 9 a.m. after our meeting we return to attend the 5 p.m. meeting in Brownsville, TX.

Also in Brownsville we have studies on Wednesdays and Fridays in the houses of new persons and we have the confidence that some persons will obey the gospel and the church will grow.

In Matamoros, Mexico, the church continues growing and also we have studies during the week with several new families.

The brothers in Rio Verde, Mexico, informed me that they had new baptisms.

The brothers in Colombia inform me that they continue preaching in different places.

The churches in Guatemala continue firm and preaching in several places.

I sent photos of the congregation in San Fernando, Mexico; studies with new persons in Brownsville, TX; and the church in Matamoros, Mexico (frontier with Brownsville, TX).

Thank you very much in the name of the Lord by your participation for the work of the Lord, Jesus, in Mexico, Guatemala, and America.

Your brothers in Christ,

Harlingen, TX (June 3)

Appreciated brothers in Christ,

I greet you cordially in the name of Christ hoping that when this letter arrives you may be enjoying good health with your family and brothers in the congregation.

I inform you that during the month of May we made several visits in the new church of San Fernando, Mexico; and the brothers continue studying the scriptures and each day are strong in the faith and obedience. Also, some brothers of this area are helping in the edification of these new brothers and in the churches in northern Mexico.

The brothers of central Mexico (San Luis, Green River, Cardenas) inform that they continue the work with the new church of Sabino. In the church at Green River on

Thursdays of each week they have studies with the youths to prepare them for preaching.

In southern Mexico (Yucatan & Campeche) the brothers continue working in the predication and the churches continue firm in the faith.

From Guatemala the evangelist brothers inform that they continue the work of evangelization and that the churches are firm in the obedience to the Lord.

In Brownsville, TX, we had baptisms.

Report From Kenya - Finding Comfort

There are times when we are caused to suffer from physical ailment from others, as endure deliberate mistreatment from the loss of a dear loved one, as did Mary and Martha, or to weep over spiritual callousness of humanity, as did Jesus Christ. But where do we find genuine comfort? Paul addresses God in a very wonderful and beneficial way, "*Blessed be the God and father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comfort those who are in any affliction with comfort with which we ourselves are comforted*" (2 Cor. 1:3-4).

I was admitted to Nakuru Level 5 county hospital on 11th April 2016 at 10:00 am. The doctor told my son Charles that "your father had only thirty minutes to live "my blood pressure had gone up to 198.88. The doctor did everything he could to save my life. I stayed conscious till 1:00 pm at night. When I become conscious I remembered what Paul wrote, "*for to me, to live in Christ and to lie is gain. But if I live in the flesh, this is the fruit of my labour. Yet what I will choose, I do not know.*" (Philippians 1:21-22). Then I prayed quietly (for I could not talk). This is the prayer: "God, my Father, you created me with a purpose. This purpose is to preach the gospel to the lost and teach them the word of God. I have been doing so till today. Now, if all I have fulfilled or finished your work that you intended that I do, then take my spirit. But on the other hand if I have not finished the work let me go back and finish. I stayed in the hospital for one and half week, and I am back at my house. God answered my prayer. I am here now to do the will of my Father.

I thank all brethren who prayed and visited me at the hospital. Even those who are far from Nakuru, Kenya, and heard about my illness did pray for me and indeed God healed me.

However, we are comforted in order to comfort verses (5-6 of 2 Cor.1). So many times the means of God's help to others is through His own children. While we are all aware of our need of being comforted God also has in mind that we comfort others, having been comforted ourselves.

Again yesterday after church service in the evening, my youngest son Newton Bukach (4 years old) was hit by a motorcycle. Right now he is hospitalized at the same hospital where I was admitted. I kindly appeal to everyone who reads this letter to assist me where he can. I need to attend clinic every Wednesday. I need to buy some drugs which cost about $50 a week. This will take six months from now. (We sent him $600, which is half of what is needed. Will sent another $600 when we get the money – Ellis)

Finally we all should know that both suffering and comfort are part of the Christian experience.

Naturally, we want the comfort, not the suffering, but the Christian life is not all joy and comfort. God never promised to keep His children from all hurt, pain and sorrows. He didn't keep His son from those agonies of soul. These things help us, as Christians to develop our character (Romans 5:3-5).

God bless all of you, His children and servants of the Lord.

May 16th

Dear Brethren,

First, I thank God our Father who have once again provided healing and strength for me to continue serving Him. The Bible says "all things work together for good, even to them that are called according to his purpose" (Romans 8:28). Second, I thank you brethren for your prayers and love by even going far to send me some money which I need to purchase medicines needed for the next six months. (Brother Ellis sent some money).

Yours because of Calvary

June 15th

I thank the Almighty God to have given me health and strength to write to you. I am writing to you to let you know the state of my health till now. On June 8, 2016, I went to see the doctor. When he checked the pressure it was 175/93. He said it was not good. I was told to continue taking drugs as prescribed by the doctor. From that date the pressure has come down a little bit.

June 16th

My blood pressure is now between 144 – 127. I was given the final date for seeing the doctor to be September 28, 2016.

We are doing very well in the Lord's work. Last Sunday we baptized two persons. Robert Rotich is a teacher and Kelvin Neondo is a student at Primary school. Robert is a young man and could be used as an evangelist for the Lord's church. He comes every evening to my house for the Bible study. He was a member of Catholic denomination before we met and I introduced him to the church. We need youth to train them to do the work. We are looking forward to hear from you concerning the renewal of church Registration. I had informed you that we needed $1000 to accomplish the work.

The two new congregations at Migori and Shikunga in Butere have all asked for meetings. These are important issues or mission which are to be done. This will only depend on the availability of the funds.

Bro.John Kombo.

(Editor's Note: Bro. John (although sick at the time) and two other brothers from Kenya traveled to Arusha, Tanzania, where John conducted a Unification Meeting with the majority of the Tanzanian leaders present to help resolve some conflicts among the brethren there. The meeting was a huge success, with brethren coming together to work out these problems.

Orphanage Report - Kenya

We continue to acknowledge your contributions towards the needy children in Kenya basically in Kakamega. We thank the Christian from Oakdale church of Christ.

According to the latest report, due to the sickness and weakness as far as my physical health is concerned I was not able to travel to Kakamega (as I have always done) to meet with Bro. Laban and the orphanage committee. But Laban came to Nakuru to collect money for orphanage.

He went back to Kakamega and worked out with the committee on how to use the money. Attached to this letter are pictures, the letter from the committee addressed to Brother Gerald Brockman copied to me. Also there is a list of members of the committee. We look forward in working together for the betterment of the orphanage in Kakamega and elsewhere. God bless everyone who is very much concerned with important work for the Lord. When I get better I will visit the orphanage and hold a meeting with Matundu church leaders, who are working to support this cause.

Report From Tanzania

From Caleb Timothy (June 1)

Dear Brethren,

I like to share with you some sorrowful news. One of the church members, whom I baptized on April 5, 2014, has lost her young baby boy (born May 5, 2016), We prayed for him last Sunday for he was admitted at Mount Meru hospital last week. Unfortunately, I had yet visited them there, but now he has passed away this evening at 4 pm. I am going to see them at the hospital where the dead body lays. Will let you know further steps, Her husband wasn't yet converted to the church; he was still attending the Lutheran sect.

Keep praying for this Lady: Mama Rose

From Sadat (June 19)

Brethren,

Much greetings from me and the church at large in this region of Geita. Greetings from the Church in Bunda and Kirongwe through Kachege and Ibrahim as well.

However, we lost one church member from Shirati area, this is according to Kachege.

I have not been able to be on the computer for several weeks since I came from the Unification meeting in Arusha, this is due to the health state of my wife Agrippina. When I was in Arusha she called and said she is going to attend to the hospital here and I thought it was just minor and a normal case, but it wasn't so.

The problem persisted as she was crying, holding her stomach. I need help, financial support, whoever God has blessed with, but most of all I need your prayers. The Bible calls it prayer for the saints.

I am in a hard situation right now as my wife keeps on crying day and night. I took her to the hospital the second time and after the checkup, doctors said that she has a hernia that causes her large intestine to twist itself. They advised me to take her to Mwanza where there are good

specialists who will do the surgery and cut that part and rejoin it. I need the help of brethren in the church and as individuals that I may solve this because now she cries daily, and she is pregnant. I have not been on the computer for about three weeks and a half because I have been trying to help work the situation out but it still there. I was told the costs is $1600. Whoever willing can help so that I may rush her to the big hospital, before time is over because her life is in danger.

May He bless us all.

Sadat

Editors's Note: I put out a bulletin on this on Facebook and withing a few minutes I received a call from a brother in the U.S. saying they would pay for the medical costs as described. This is great! The money has been forwarded for this purpose. Please keep Agrippina in your prayers as this condition is very serious. Bro. Sadat was my translator during my second stint in East Africa. Ellis Forsman

Gbalasuah Church of Christ, Monrovia

Report From Liberia

I am greeting you in the precious name of the Lord Jesus and hope all things are going fine with you, your family and the brethren.

First of all I would like to thank you very much for my monthly support that you sent to me at the end of March. This assistance of $250 has been helpful of my evangelic trips to other congregations here in Liberia.

I was able to continue my trips of edifying brethren of the Lord's church in most needed areas as I began with them in February, though there are other congregations in such a need and hope to begin with them as soon as possible when you send my next support.

I started with the brethren in Monrovia at the ELWA Road Church of Christ on the 15th of April, 2016, where I was able to visit a few sick brethren and others which I encouraged for their full attendance for worship service. Therefore, on Sunday, April 17, 2016 during the worship service, we were 17 brethren in attendance. During this service a Bible study topic was, "The Greatness of God" taken from the text of Psalms 8:1. This was taught by Bro. Abel Z. Dors.

The Sermon was presented by me from the Topic: "You And Your Congregation." Text: 1 Cor. 12:12-26. My next trip was taken to Tubmanburg on April 20th to the brethren of the Gbalauah Church of Christ. During my stay with the brethren, I was able to visit most of the weak brethren and studied with them on the topic, "Causes of Backsliding" from the text of John 6:36-66. I also studied with a few non-Christians on how to become Christian but there were no conversions.

On Sunday, April 24th we came together in the assembly with the attendance of 28. Here, during Bible study, I taught the brethren on the topic, "Not All who Profess to Follow Christ Belong to Him." Text: Titus 1:16. I also preached on the topic, "You and your Congregation." Text: 1 Corinthians 12:12. This topic is very important to the growth of the Lord's Church in Liberia because the truth has just entered Liberia and the few congregations that are converted need to grow as Paul compares the church to a human body.

Here, Paul says, just as the human body is one body but made of many parts, so also the church one body in Christ. All who have been baptized are parts of the spiritual body, the church.

Every part of the human body is different and each part has its own work to do. All the parts of the body cannot be hand or foot. So it is in the church. All the Christians have different responsibilities and each Christian has his own responsibility.

In the human body, if one part is injured or fails to do its work, the whole body suffers. The same is true in the church. When one brother refuses to do his own work or fails to accept his own responsibility, the church will suffer. The only way the church can do its own work well is for all the brethren to work together, each doing their own part. So also the churches of Christ in Liberia, all brethren must work together because if each of us helps the rest of the church by doing all we can, the church will grow well in all good works.

I sent along with this email are some pictures taken of the brethren during my trips to Monrovia and Tubmanburg, along with central Buchanan Church of Christ.

My mailing address is as follows:
Central Buchanan Church of Christ
P.O. Box 128
Buchanan, Grand Bassa County
Liberia/West Africa

May God continue to bless you in the Ministry of His work that this kind of atmosphere continues through this brotherhood so we who are at this distance place in Africa already joined hands with you in the truth, will continue to make sure that the work of God grows and prospers in our country, Liberia.

In Christian Love,
Bro. J. Abednego Suahgba

In Loving Memory of Sis. Rita M. Clinton

Sis. Rita M. Clinton, 68, was born into the Body of Christ in 2005. She was a faithful member of the Gleed Church of Christ. She loved our ladies Bible study and attended all church activities. She always sat near the door and greeted us all with a hug. Her hugs will be greatly missed.

She was born Rita Marie Goodwin in California September 20, 1947, and she passed from this world June 18, 2016.

She was married to the father of her two sons Eddie Bower and Mike Bower. Later in life she married Richard Clinton and they were together until his death. Rita moved to Yakima to be her father Eddie Goodwin. She cared for him until his death this last February. He too was a member of the church and he is greatly missed and now our dear Rita has gone to a better place.
