ONE BODY

We read in Eph. 4:4-6. "*There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all.*"

When Bro. Earl Atchley passed away in 1987, I was blessed to be given his lessons, and still study from them to this day. This article is based on a lesson he first gave in Colter, OK, in September, 1973.

We want to study about the one body. We will look at what the one body is, what it is made up of, some of the characteristics of the body, and how we become part of it.

The one body Paul is speaking of is the church. Eph. 1:22-23. "*And hath put all things under his feet, and gave him to be the head over all things to the church, Which is his body, the fulness of him that filleth all in all.*"

The church, like the body, is make up of a lot of different things.

The church has a head, as our body does. Jesus is the head of the church, Col. 1:18. "*And he is the head of the body, the church: who is the beginning, the firstborn from the dead; that in all things he might have the preeminence.*"

> **"There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all." (Eph. 4:4-6)**

The body has to have a spirit, or breath, to be alive. Likewise the church has the Holy Spirit, given once a person becomes a Christian, as we read in Acts 2:38. "*Then Peter said unto them, Repent, and be baptized every*

one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." Also the good works we do as Christians are referred to as the spirit that keeps our body of faith alive in James 2:26. "*For as the body without the spirit is dead, so faith without works is dead also.*"

Our physical body needs blood to sustain and nourish it. Jesus shed His blood for His body, the church, Acts 20:28. "*Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood.*" And we partake of His blood when we remember His death as we partake of the communion service in our worship. Matt. 26:26-28. "*And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body. And he took the cup, and gave thanks, and gave it to them, saying, Drink ye all of it; For this is my blood of the new testament, which is shed for many for the remission of sins.*"

Our body has many members to help it function, as does the church. Rom. 12:4-5. "*For as we have many members in one body, and all members have not the same office: So we, being many, are one body in Christ, and every one members one of another.*" Did you notice that? We are members of His body, the church. But we are members one of another as well.

Let's look next at some of the characteristics of the one body, the church.

We, as members of His body, are called out from the world. We need to be an example to the world; lead it, not follow it. In Matt. 5:14-16 we read. "*Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.*"

The church is a spiritual body, I Pet. 2:5. "*Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.*"

Unity should characterize the one body, the church. The different members of our physical body must work together to work well, and so should the church. I Cor. 12:25-27. "*That there should be no schism in the body; but that the members should have the same care one for another. And whether one member suffer, all the members suffer with it; or one member be honoured, all the members rejoice with it. Now ye are the body of Christ, and members in particular.*"

Look to Psalms 133. "*Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments; As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the LORD commanded the blessing, even life for evermore.*" What an amazing picture. Aaron was the first high priest under the law of Moses, and was so anointed with the precious ointment mentioned. The book of Hebrews tells us that Jesus is our high priest. The ointment we anoint Jesus with is unity. And unity is like the dew where God commanded eternal life. How good and pleasant unity truly is!

Every member is important to the body. Notice the contrast between a couple of different passages from I Cor. 12. Look first to verse 15. "*If the foot shall say, Because I am not the hand, I am not of the body; is it therefore not of the body?*" Compare that to verse 21. "*And the eye cannot say unto the hand, I have no need of thee: nor again the head to the feet, I have no need of*

you." Verse 15 talked about how we think of ourselves, while verse 21 talked about how we think of others. We should not think less of our place within the body. Neither should we look down on any other members. We are all important to God. I Cor. 12:18. "*But now hath God set the members every one of them in the body, as it hath pleased him.*"

Our last point for this article is this. How do we become part of Christ's one body? We find the answer in I Cor. 12:13. "*For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit.*" Baptism does not work by itself. It is the only thing mentioned in this particular scripture, but other scriptures bring in other things that work with it. Baptism must be preceded by hearing God's word and believing it, Rom. 10:17, by turning to Him in repentance, Acts 2:38, and by confessing our faith, Acts 8:35-38.

In summary, the church is the one body we are studying about. Like our physical bodies, it is made up of a head-Jesus Christ, spirit-the Holy Spirit (good works are also referred to as spirit), blood-Christ's, and ourselves-the members of the church. The body is characterized by such things as being called out from the world, being a spiritual body, unity, and every member being important. We become part of the body of Christ by hearing God's Word, faith, repentance, confession and baptism.

In closing, let us be a healthy, active body, working together in unity and love.

In Memory of Sis. Andrea Pollan

Nov. 3, 1961 – Nov. 11, 2006

Sis. Andrea Pollan, wife to Raymond Pollan, passed from this life Nov. 11, 2006, after a difficult struggle with breast cancer. She is survived by Raymond (husband), Joseph (son), Rachael (daughter), Noah (grandson), Pat and Leonard Langford (parents), J. D. and Oleda Spoon (grandparents), and many nieces and nephews and cousins, aunts and uncles.

Andrea was a wonderful lady and person. She was a loving wife and mother and most of all, a member of the body of our Lord. We will remember her smile, cheerfulness, and her love for her family. We will miss her and mourn for our loss, but we rejoice and give our Father the glory for having her in our lives and the life she lived.

Now she is asleep in Christ until our Lord returns, when the dead in Christ shall rise first. We will always hold her in our hearts and we know she is in our Father's care now, and we believe she will be arrayed in fine linen, the righteousness of the saints, and she will be given her crown of life in heaven.

We thank everyone for their aid and prayers and we look beyond our earthly struggles until we all stand before our Father's throne.

Greetings from the Happy Hollow Church of Christ in Cedaredge, CO,

As summer turns to fall, we are all occupied with one thing or another and not keeping up with the other brother and sisters in the congregations. On June 24, 2006 George Cowger married Kresta Fouch and Zach St. Jean in a beautiful ceremony in Delta. It was a pleasure to visit with some of the congregation from Aztec, NM. Kresta is the daughter of Lyle and Dixie Fouch. Dixie and Lyle Fouch have a granddaughter born to Dana and Chris Forsman who live in Amarillo, TX. Her name is Rylyn Mae. Also in June, Samantha Schell was married to Ty Brown in a private ceremony. Samantha is the daughter of Tony and Jamie Schell. They are expecting a child in Feb.

Movelle is once again in Georgia with Pam and Skip Berry. She has had some heart problems and has been in the hospital undergoing tests. Hopefully they will be able to find out what's wrong. We love her and miss her here. She would appreciate anyone willing to write to her there. The address is: 675 Page Place, Canton, GA 30114.

Last year we were blessed to have a young man, Kade Knight from Holyoke, CO, join our congregation. He is an inspirational speaker and well liked by all. To some he is like our second child.

We have enjoyed a few visitors in the last few months also. Gene and Lahoma Noyes have visited a few times and Dave and Patricia Bixler and daughter. We always welcome all. If you are ever in our area of western Colorado please call or stop by for a visit. Several members have enough room for overnight stays also. Church services start at 10:30 a.m. on Sunday. For further information contact one of the brethren.

Greetings from the Pacific Northwest! Our small congregation is doing well. In July past, we were pleased to have Bro. Bill McCay, Sr. and his wife, Sis. Veda with us. Bill brought us a very good lesson. Sunday afternoon, several spent the afternoon at the Logan's singing and enjoying good fellowship.

Early in August, the Logan's visited the Ahtanum congregation (Yakima) where Bro. Jerry McCay delivered very uplifting lessons each evening; along with days of good fellowship, singing and wonderful meals. Bro. and Sis. Bill Taylor (Debra) also attended the meeting. The meeting was well attended. We left feeling that "it was good to have been there".

On August 24, several from our congregation were privileged to attend Bro. Rick Carter's retirement ceremony from the navy. After 22 years, he retired as Command Master Chief (submarines). He and his family have decided to remain in our area, (Bremerton, WA). He and Barbara have three wonderful Christian children: Christopher, Kayla and Jessica.

Sunday, Aug 27, Bro. Gene McKinney brought us a very good lesson. Afterward, they spent 4 days with us in our home. We are always made to feel blessed whenever Gene and Pat are with us; we have been the best of friends over the past 30 years in California.

Bill and Debra Taylor spent the first week of September in Denver, CO, with their daughter, Robin Cook, and family.

Recently, we drove to Sea-Tac (Seattle) for a very nice day of fellowship with the brethren there. While there, one sister came forward, asking for prayers. Our hearts rejoice for every act of obedience to our Savior's invitation.

Sept 24th, Bro. and Sis Richard Johnston (Monica), along with his parents, Ruth and Oren Johnston were with us. It is a blessing to have these fellow Christians with us, especially as we have known them for so long.

Sis. Ellen McCay is doing better after taking a fall recently. Thankfully, nothing was broken.

If any should journey to the Northwest, call and come worship with and visit with us in our homes.

With Christian love, J D Logan, for the Glenwood, WA congregation.

Dear ones:

Another year in the history books. Time to prepare New Year's resolutions for another year. Our prayer for 2007 is for all of us to work harder for the Lord and, in so doing; hopefully, we can carry the Good News to others and be strengthened, ourselves.

Our little congregation has seen some illness the past 2 months. Sis. Ellen McCay has been under the weather and missed some services, but is better. Sis. Patricia Bergman underwent serious oral surgery and is recovering now and feeling better. Her husband, Gary underwent surgery Dec 1st and is recovering well at the present.

We missed Sis. Kayla Carter recently, as she traveled with Ellis and Lynell Forsman to spend Thanksgiving with Eric and Lori Harper and family in California.

We are planning for our meeting July 1 to 8, 2007. Bro. Jerry McCay of Lorenzo, TX, will be the speaker. We are planning a building project to expand our facilities, and hope to be completed for the meeting. We want to invite everyone to come up the Pacific Northwest and enjoy a week of good Christian fellowship. More information later.

Late news: This evening, we received information that Bro. and Sis. Greg Stacy became the proud grandparents of a brand new baby boy, Jackson Douglas Stacy, born Dec. 7th to Julie and Shane Stacy of Bonny Lake, WA.

Sad news: We received news that Dennis McKinzie, son of Sis Mary McKinzie, of the Waterford congregation was killed Dec. 6th in an accident involving an automobile. We have no date for the funeral.

Our prayer is for the congregations everywhere to prosper in the work of the Lord, and to enjoy the peace of God among all.

Dear Brothers and Sister in Christ,

We hope this finds all well. It has been awhile since writing to the Christian Courier. All here at Oakdale are doing fairly well. It seems our three families are very busy with the day to day happenings of life. We thank God for the many blessings He continues to bestow on us.

Since our last writing we have had one added to the fold. My daughter Monica was baptized and has chosen that better way. What great rejoicing when one dedicates their life to serve our God. Please pray for her and all our young Christians that "they continue steadfast, unmovable, always abounding in the work of the Lord".

I recently had the opportunity to visit with Brother Otto Alvarez and his wife Mariella... The work he has accomplished with God's help in Central and South America is amazing. God's word continues to be spread and churches established at an astounding rate. Through the work of Brother Alvarez and the part time evangelists he supports and has working in the field, God's word is being taught with many accepting the Gospel.

The number of faithful churches has grown significantly in the last 5 years. There are now 60 faithful Churches of Christ in Guatemala alone with over 30 in Mexico. This is in addition to the few in Honduras and El Salvador. Those who have gone down with him and visited some of the churches have come back encouraged that God is being glorified and the gospel is spreading. They talk about the potential and willingness for plain and simple people to want to trust in God and live a life to and for Him.

With such growth come challenges and needs. To continue with the spread of the gospel to other areas, as well as to continue to feed the flock of new believers, more evangelists are needed in the field. To continue to serve the needs in the 4 countries, Brother Alvarez would like to add 6 part time evangelists. To support a part time evangelist in the field for 10 days a month costs $300. This includes travel expenses as well as funding for his family's needs. He has evangelists ready to give up 10 days a month provided monthly funding can be secured. I truly believe this is a good work and something we can be a part of. As we know, there is great rejoicing in Heaven over just one sinner coming to God. The work that has been accomplished so far has greatly answered Jesus' command to "Go Into the world and preach the gospel to every living

creature". With our financial help, and God's blessing, Brother Alvarez can continue to spread the gospel to people in these 4 countries. Many will have the opportunity to at least hear God's message and come to the Lord.

Any wishing to support the work being done by Brother Alvarez can contact him at the following address.

Besides saving souls and helping others attain that promised home in Heaven, it can also help us in our own pursuit of Heaven. As the Apostle Paul told those at Philippi regarding giving ... "*I desire fruit that may abound to your account*". Phil 4: 16-18

It seems the number of faithful congregations here in the US keeps getting smaller and smaller. How wonderful that elsewhere in God's creation, people still want the simple truth Jesus left us some 2000 years ago.

SeaTac, WA

Dear loved ones in Christ,

We in the Seattle area can usually expect a wet November, but wow, this year has been a record-setter. We have had rain, often hard, all month. And the past few days snow and ice. During the snowstorm last night, (the 28th of November), we had lightning strike two planes coming in to land at Sea-Tac airport. No one was hurt, but it was sure strange to hear about on the news.

We had a wonderful weekend meeting earlier this month, November 10-12. Bro. Bill McCay, Jr. of Yakima, WA, did a wonderful job of preaching. Friday night the 10th his lesson was about hearing God's Word, titled "Can You Hear Me Now?" We had two services Saturday. His lesson in the afternoon was based on the song, "Give the World a Smile" and in the evening on "An Easy Religion", pointing out that if we want an easy religion Satan offers it. Living for Christ requires effort. He closed the lesson Sunday morning the 12th with a lesson considering the question, "What Am I Worth To The Lord?" We appreciate the job he did very much.

We also enjoyed the singing and fellowship and visitors. In addition to Bill and Cinde, we had Richard and Monica Johnston visiting from Yakima. From the Glenwood congregation we had Greg and Peggy Stacy, Bill and Debbie Taylor, and JD and Fern Logan share our meeting with us.

We had two services Saturday instead of Sunday again because of the weather. Hard rain in Seattle generally means snow in the mountains, and we wanted the folks from Yakima to be able to get back over the pass in the daylight. The Lord blessed our visitors, the pass was good, and they all made it back safely. We have heard, though, that on the day after Thanksgiving, Sis. Cinde fell down the stairs in their house and broke her leg.

We have had several Bible studies recently on Thursday evenings at Mike and Jeanne Boroff's house, when the roads and weather permit. We have studied from the book of Acts, and really enjoyed it. Mike and Jeanne are both struggling with serious health concerns and have inable to be at church services. They very much can use your prayers.

In fact, let's all remember all our loved ones with health problems in our prayers.

Sis. Odessa Honorable was away several weeks to Chicago due to a death in the family. We are glad to have her back.

We have heard of reconstructive facial surgery for Bro. Kevin Lamb (nose), Bro. Sam Geho (nose) both from the Gleed congregation and Sis. Patricia Bergman (jaw) from the Glenwood congregation.

Bro. Terry Warford and family were blessed to be able to attend the Glenwood congregation once in October.

Sunday, November 19th, we had more visitors from the Glenwood congregation. Bro. Rick and Sis. Barbara Carter were with us with their family. Their son Chris gave a fabulous lesson on "Sovereignty With Christ".

Bro. Ellis and Sis. Lynell Forsman spent the Thanksgiving holidays in California with Bro. Eric & Sis. Lori Harper, and family. They were privileged to take Sis. Kayla Carter with them. Also, the Shepherd's joined them.

We invite you to come visit us anytime. Don't let our recent weather scare you. We usually have pretty mild weather year-round.

In Christian love,

The congregation at Sea-Tac, WA.

Yuma, AZ

Dear Brothers & Sisters,

After receiving and reading *The Courier* this month, we should all be much encouraged from the letters praising the meetings and their success with all the baptisms and those restored to the faith at the meetings and individual congregations, along with the fellowship, the singing, and good times Christians have together. The only sad part to the paper is the illness of brothers and sisters; let us all remember them in our prayers often.

Most everyone here is doing well except Sis. Orendorff, who is still not doing very well. Also, Sis. Diane Cummins and her family has suffered a tragedy in their family. Her daughter-in-law, Karah Anne Cummins passed away in her sleep, Sept. 8th. She was only 29. At this time it is not known what the cause of death was. If you can remember a little prayer of blessing and healing for their families, it will be appreciated.

Bro. Denny & Sis. Susie Davis are home due to the death — Diane is his sister. I don't think they plan to go back; I hope not, anyway.

Bro. Booth is still away, and I think he plans to be back sometime the 1st of October. Our little congregation feels the loss of even one member being away.

Both Bro. Logan and Bro. McKinney had good lessons in the paper this month. Thanks to both of you! The editors of both papers need material to print and send out, and we all need good, spiritual messages to inspire us to continue in the faith.

This is about all I can think of to write. Let us all be strong in the faith and pray one for another.

In Christian love,

The Yuma, AZ, congregation.

Yuma, AZ

November 3, 2006

Brothers and Sisters in Christ, It is time to let everyone know the date that we have decided on for our annual meeting here in Yuma. We are planning for the month of March as is usual but instead of the last full week in March it will be the next to the last. March 18th through March

25th. We are planning to have a great meeting as we have had in the past. Last year was a wonderful get together with our family of Christ. If you can plan ahead and make arrangements to be here, let us know so that we can make plans. If you don't know if the time will be available to you, please try to come anyway. We will do our best to accommodate any and all that come to be with us. We have several RV hookups and will figure something out. The plan is for guest speakers as we so enjoy hearing all of the different styles and thoughts of the different speakers. I have never been to a meeting that could possibly be considered bad other than some cold and rainy days or even some pretty warm days but even in those conditions the fellowship always makes up for the discomfort. If you feel like getting down here a little early then by all means come early, your presence here would be greatly appreciated.

Our congregation down here is doing pretty well as far as health is concerned, our group is pretty small but are always willing to work hard to make everyone's time here a good one. We are expecting to have Brother Harry Booth back in town sometime this week and it will be a blessing to have him back. Like I said our health is about as good as can be expected, we have our aches and pains but they certainly can't be any worse than anybody else's. There is always someone out there that is in worse condition than we. As always we keep you all in our prayers, and your prayers for us are welcomed.

In Christian Love,

Denny and Susie Davis, for the Yuma Congregation
