Weighed in an even balance. Job. 31; 6 and
Dan 5:27 to be obtained. Job misjudged.
Justice ~ 5:27
God's judgement will be just; exact.
Is. 28; 17.
Weighing Belshazzer. Where wanting?
Not in worldly pleasure.

Took golden vessels from God's temple and
used them in revelry.
Praised gods of gold silver, brass, iron,
wood and stone.
Wanting in righteousness.
No reason for Belshazzer's failure.
His father's history was known to him.

We have the bible examples of righteous
ness and unrighteousness before us.
Elajah; Daniel; Moses.

How will we be weighed? James 4:17
Not by our opinions.
The one great question will be: What
is right? God's word will be the judge.

Different doctrines and practices will
be tested by God's word.

Will we be found wanting?

James 4; 17 "To him that
knoweth to do good, and doeth
it not; to him it is sin."
