In all these translations the word WINE is not mentioned,except by Weymouth and Goodspeed,and they mention the new wine that He will drink at a future time,--Till the kingdom be come.-- Till ~~I=drink~~ the day when I shall drink the new wine in the kingdom of God. or unfermented

Why go to so much trouble to contend that fermented,wine was used at the Lord's table.when wine is not even mentioned??? By any of these translations.

The language used,"Fruit of the vine",--"Juice of the vine".-Produce of the vine",-"Product of the vine",are the terms used.

Why go to so much trouble which causes division,strife andhatred among brethren,when we are strictly commanded to Speak as the oracles of God.If any speak not according to my word ,there is no light in him.Thou shalt neither add to ,nor diminish from Gods word,Add thou not to His wor lest He reprove thee,and thou be found a liar.--All liars shall have thei part in the lake of fire.

Let us abide by the great theme of the Church of Christ.We speak whe the Bible speaks,and are silent where the Bible is silent.--If any man ~~sp~~ speak,let him speak as the oracles of God.
