Dear Brother & Sister Goodwin:
Your letter received & read with interest.
We live 30 miles south of Grants
Pass. There are only three of us at
present; myself, wife & daughter.
If you should locate within reach
you & we could make our effort
to gather.
We love that Country better than
any place we have ever lived.
Here's hoping we can some day be
able to meet together.
There are two S.S. Churches at Grants
Pass but we know they do not interest
you. Let us hear from you at your
convenience.

Yours in Christ
