Peace, Security, and Fulfillment

Denying we need these is pointless. Trying to meet these needs in unhealthy ways is counterproductive. Languishing in frustration when they are not met is unnecessary.

God has a better plan.

Jesus came announcing **"I AM"** your Source for profound satisfaction. Jesus did not come to tell us about a source – where we ca go to find, security, and fulfillment. He came to tell us about Himself. **"I AM."**

- **I am** the bread of life. – John 6:35, "And Jesus said unto them, '**I am** the bread of life: *he that cometh to me shall never hunger; and he that believeth on me shall never thirst.'*" (KJV)
- **I am** the light of the world. – John 8:12, "*Then spake Jesus again unto them, saying, **'I am** the light of the world: he that followeth me shall not walk-in darkness, but shall have the light of life.'*" (KJV)
- **I am** the door. – John 10:7,9, "*Then said Jesus unto them again, 'Verily, verily, I say unto you, **I am** the door of the sheep... **I am** the door: by me if any man enter in, he shall be saved, and shall go in and out, and find pasture.'*" (KJV)
- **I am** the good shepherd. John – 10:11, "*I **am** the good shepherd: the good shepherd giveth his life for the sheep.*" (KJV)
- **I am** the resurrection and the life. – John 11:25, "Jesus said unto her, *'**I am** the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:'*" (KJV)
- **I am** the way, the truth, and the life. – John 14:6, "Jesus saith unto him, '**I am** *the way, the truth, and the life: no man cometh unto the Father, but by me.'*" (KJV)
- **I am** the true vine. – John 15:1, "*I **am** the true vine, and my Father is the husbandman.*" (KJV)

We find our satisfaction in a relationship with a Person. No rules, rituals, or memorized dogma.

We relate to a Person – Jesus – who is our peace, security, and fulfillment — EVERYTHING WE NEED.

And that is more than enough.

In Christian Love.

Broken Bow, OK

Hello to all from the Broken Bow congregation!

This past year has definitely been a very unique and trying one for our country and the world. With the exception of a few Sundays in May, 2020 due to Covid, the Broken Bow congregation continues to meet faithfully each Sunday. Several of our members did become ill with the virus but recovered and for this we are truly thankful!

The men of our congregation have been sharing some excellent Gospel messages, whether in sermon, song, prayers, or by example. We appreciate their efforts, as well as the efforts of all our members. On May 2, 2021, Alan and Kachton Spiligene obeyed the Gospel and were added to the Body of Christ. Alan, Kachton, and their three children are a blessing to us and have a heart for sharing the Gospel with others. We have also enjoyed the attendance of Kendra, and her two sons, Landon and Rebel Hamilton. We love both of these families and look forward to seeing their faith grow.

Due to regulations adopted by the management of Big Spruce Campground in Colorado, this year's camp has been postponed until July, 2022. Many of us looked forward to meeting with congregations from across the country, as camp is an excellent time to meet new friends and renew existing friendships. We are disappointed in the decision to cancel this year's event but look forward to 2022! In the meantime, we plan to support meetings held by individual congregations.

Blessings to all,

The Broken Bow Congregation

Goshen, AR (Jan., 2021)

Greetings from Goshen,

I was glad to receive the paper. We at Goshen are doing okay. We still only have 5-8 members that meet. We have sadness in our hearts. We lost our dear Sis. Etta June Auslam to Covid December 28th.

Also, Bro. Gary Hooper lost his brother to Covid last week.

You can remove me from the prayer list. My health has healed. I'm doing good, so is my husband Norman, except his back has been really hurting. I've tried to get him to go to the doctor. "Oh, not me!!! They might find something!"

Our weather has been on a roller coaster all winter; 20° this morning, going to 60° tomorrow. Last week we had 1" of snow with 30° high.

Enclosed is money for the *Courier* from the Goshen church.

Love from the Goshen church,
Sis. Rachel Daniels Traxler.

Lorenzo, TX

Greetings to all our brothers and sisters,

Sis. Jaetta Loftis & Bro. Gene Boling are still dealing with age-related difficulty. Peggy Boling has been diagnosed with pregnancy complications and has been instructed to stay on bed rest until the birth. We received word from Bro. Jon Rawlins in Ottawa, Canada, that he needs a heart transplant. Bro. Jon has been dealing with heart issues for a long time. We certainly pray for all those dealing with physical problems,

We are happy to announce the wedding of Amy Orendorff and B J Gilpatrick on April 10, 2021.

We are saddened to report the passing of Gordon Hoffman, 73. who passed away on April 24, 2021. Please pray for Sis. Diane Hoffman and family.

Recent visitors include Larry & Maxine Pollan; Kelly Shepherd, her daughter Leah Mollohan, grandchildren, M J Mollohan, and Lulu Mollohan also Lori Harper, and her daughter Ashley Burnett; Stanley and Judy Goodwin; Garry and Faye Burkhart for a month after the Yuma meeting; Mike & Sharon Hoffman, and their two sons Ben & Alex; Bill & Jackie Meltingtallow, and their son William; Willie & Mary Howe; and Oletta Spurlin.

We have heard that some of our brothers and sisters in Christ have been challenged by the Corona 19 Virus. We are reminded of the scripture 2 Cor. 4:8-9, "*We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed;*" We have not missed holding Sunday services and have now resumed having fellowship & singing on Wednesdays at Gene & Angela Boling's home.

We received word that the Delta Big Spruce Camp Meeting had to be canceled this year because of modified Camp restrictions that were impossible to get around.

However, The Lorenzo Meeting is on during July 11-18, 2021, with Bro. Jim Lamb and Bro. Kevin Lamb of Gleed, WA. All are welcome. We are expecting a large number of guests coming this year. If you plan on attending this meeting, please let us know so that we can work out any logistical problems.

This *Christian Courier* is now published by Bro. Matt Matlock.

Yours in Christ from the Lorenzo, TX congregation.

News From Abroad

Harlingen, TX (2/13)

Dear brethren,

I send strong embrace and my prayers to the Lord so that He blesses each one of your families and also the brothers in each congregation.

I comment that during January I had some problems with my health. On the 13th of January I entered the hospital. Remained there for eight days. During this time, I had two angioplasties to uncover some arteries in my heart.

With the help of God and the prayers of brothers I got out of the hospital January 20th, and in these moments, I am evolving well and I am already participating in the work of the Lord.

During January, several brothers in Mexico and Guatemala got sick with the Covid 19, but thanks to the Lord most of them are doing good health. During the next few days I have plans of visiting some congregations in Mexico and request your prayers so that the Lord opens the doors for preaching the gospel.

My wife and companion in the work of the Lord is a little sick with thyroid problems; I request prayers for her.

Again, thank you for your participation in preaching the gospel, and our God of peace blesses all of the brothers in the churches.

Harlingen, TX (3/9)

Dear brethren,

I have trust in the Lord that all of you have good health, and we pray for all the brethren.

I comment that after my heart operation my health is very recovered. Also, my wife's thyroid problem is improving every day. Several brothers in different places who were affected by the Corona 19 virus are recovered of their health problems, but a brother in Guatemala died and a brother in Mexico is very affected in his lungs. He needs a lot of time and prayers for recovery.

I comment that during this time I had opportunity to visit Norias City (a new congregation) and encouraged them to study the scriptures and to continue firm in the Christian life and continue firm in their faith.

For the necessities or more edification of the brothers of two congregations in the Rio Verde area and the congregation at Cardenas, we made plans to have a series of studies from March 22nd through April 4th. I have the trust that the faithful brothers will be helped in their evangelization work.

I sent you a picture of the new congregation at Norias City.

Your brother,

Bro. Otto and Sis. Mariela Alvarez

Editor's Note — Pictures were not included due to shortage of space.

Harlingen, TX (4/15)

Dear brethren,

I comment that from March 17th to April 6th I worked with the brothers of two congregations in Central Mexico encouraging to continue preparing the preachers and to have meetings with the members of each congregation. All the brothers supported this work and I think that we achieved more unity among all the members and the preachers so that they can continue making the evangelization work.

I comment that a brother from Guatemala living in Memphis, TN, invited me to come to their place because doors should be opened everywhere for evangelistic work. There is a big colony of Hispanic speech in that city. Please pray to the Lord to assist me in that area.

I sent pictures of the congregations I visited at this time with pictures of some baptisms. I have plans of visiting other congregations in Mexico for edification to collaborate the evangelistic work. Please pray for us in the work.

I want to thank the Lord for your important participation in this work and for preaching the gospel.

Your brother in Christ,

Report From Kenya

It is today 29th of March 2021. We have just arrived in Nakuru at 3:45 p.m. The Evangelism meeting was good day 1 & 2. Day 3 which was yesterday; while we were worshiping, the Kenya Police officers arrived and confronted us demanding we close the meeting. The reason? They say we have flouted the Covid-19 rules. This was a pure lie since we had observed the social distance. We were arrested and taken to the cells at Kericho. We argued and managed our way out after the local area chief intervened.

We thank God for that and most importantly none of us was hurt, although we lost our personal items during the confrontation. Bro. Simion lost both cell phone and camera while Bro. Robert lost his cell phone. My blood pressure shot-up during the confrontation. Thankfully, I took my medication immediately which helped me stabilize.

At the meeting, 26 souls accepted to be baptized soon when the lockdown will be over of which we don't know when. Three congregations accepted to join 'One Cup' Church of Christ. I will be going back to Kericho when the president opens the lockdown. On Wednesday 31st, I will give the full report on evangelism meetings for both Nakuru and Kakamega.

I thank you once again for supporting us financially and spiritually. May our Lord God continue blessing you all. My sincere greetings to Bro. Ellis, Sis. Lynell and the committee members.

Your Brother in Christ.

John Kombo

Evangelism Report: Jan. – Apr., 2021

We thank God our Father and Jesus Christ our Lord and Savior, for whatever we have done in His Kingdom – the church.

Kakamega – Bro. Laban traveled from Kakamega to Nakuru with good news about the work they have done in Kakamega County. We

discussed about the orphanage, progress and evangelism. He is still struggling to get the piece of land purchased transferred as soon as it should be done.

On evangelism, he said to me that he had two meetings during the months of February and March. The first one was for preachers from all 7 congregations in Kakamega who work with us. They discussed about unity and agree to do the same things during worship as we were taught by Bro. Ellis, (One Cup and breaking of bread). The second meeting was for women's role in the church. Women discussed what they should do to support the church – their contribution toward evangelism and teaching young women in the church. They requested printed lessons if any from Bro. Ellis and other preachers. They agreed to hold such meetings every end of the month.

Nakuru – Nakuru County, we have 13 congregations, 2 in Nakuru town and 11 at Londian Junction.

Kericho – Kericho County, we also have three at Kericho but the committed congregation is Chelimo Church of Christ.

Saturday the 20th of March, 2021, we had a meeting of preachers from the 2 congregations Rondah and Baruti. We also discussed about the brotherhood unity, whereby we agreed to open bank account where we can save money to assist preachers. They contributed Kshs 2,000 for my medicines. Secondly, we had a discussion concerning what the church of Christ teaches about:

- Marriage i.e. who should preside over the marriage ceremony in our (One Cup) congregations?
- What the Bible says on burial ceremony.

We also request for lesson materials which teaches the above two subjects.

Brother Laban has always visited me in Nakuru anytime he receives report about my health condition. God bless him for his love care, and prayers. He left back to Kakamega. Before he left we prayed for our dear Bro. Ellis and Sis. Kelly. Then our beloved brother Gerald Brockman for his kindness and benevolent heart to help the orphanage at Kakamega. God bless him.

We also prayed for Sis. Kelly and the committee in charge of African Missionary Account. God bless the committee and give them more wisdom. Hope Ellis will continue giving them more advice during this time. He worked in Africa and has more experience of what we are doing.

CORONA PANDEMIC IN KENYA

Because of that high rate of the pandemic the president has declared Lockdown for five counties; Nairobi, Nakuru, Kiambu, Machakos and Kajiado. No leaving or entering into those five counties. If you are found crossing into another county from the five above you'll be arrested, prosecuted and jailed, fined or both. All religious groups are not allowed to gather, they are to remain at home on the days of worship.

God bless you.

Yours in Jesus Christ,

John Kombo - Nakuru Kenya and Laban Ambogo – Kakamega, Kenya

In Loving Memory of Etta June Auslam

We have sadness in our hearts. We lost our dear Sis. Etta June Auslam to Covid December 28th. She was 93. I met June in the fall of 1962. They moved back here in the summer from California; and Melvin & I moved here from Wichita, KS. We met at Bohannan Mt. Church of Christ. She was very strong in her faith & love of Christ & His church. I miss her every day. She leaves 3 sons: Paul Jr., Phillip & Tim; her grandkids & great grandkids; also 2 daughters in law Louanne & Dee Dee.

Sis. Rachel Daniels Traxler.

In Loving Memory of Al Burtis

Al Burtis was born August 8, 1931 in Modesto, CA, where he resided his entire 89 years. He was an active member of the Modesto/Waterford congregation for over 65 years. With his wife Charlotte, one of his greatest joys was traveling with good friends Bill and Veda McCay, who they met at a gospel meeting held in Modesto in 1964. The four of them visited many of the congregations throughout the U.S. in the following 55 years and were always quick to point out that they had traveled to all 50 states together. Al worked in the animal husbandry

pharmaceutical industry for 60 years. Being a husband, father, grandfather, and great-grandfather brought him the greatest joy. He and Charlotte had just celebrated their 70th wedding anniversary December 21, 2020.

Besides Charlotte, Al is survived by his daughters Kay (Michael) McCay and Connie (Ken) Williams and his son Randy Burtis. He and Charlotte have 7 grandchildren & 8 great-grandchildren, along with 2 bonus grandchildren and 7 bonus great-grandchildren.

Those who knew Al well are familiar with one of his favorite sayings when he was ready to leave, "Charlotte, the bus is leaving". The Heavenward bound bus left February 27, 2020 with Al on board.

In Loving Memory of Zelpha Taylor

Zelpha Myrle (McAlister) Taylor passed away on Wednesday, March 17, 2021. She was born September 11, 1936 to Harold Daniel and Rella Rebecca (Pierce) McAlister in Enid, Oklahoma.

Zelpha was the oldest of three children born to Harold and Rella. Her brothers are Gerald (Bud), who preceded her in death, and Roger and his wife Alline who reside in Comanche, Oklahoma.

Zelpha started school in Duncan, Oklahoma, graduated high school from Comanche in 1954 and attended Oak College. She met Harold Don Taylor while attending high school in Comanche and they were married July 2, 1955. They had three children Mark Steven, Donna Zel, and Karen Sue.

Zelpha started college after her three children were born. She received a Bachelor of Science in Liberal Arts from the Oklahoma College of Liberal Arts in Chickasaw, Oklahoma. She continued her education and received a Masters Degree in Education from Southwestern Oklahoma State University in 1977. She loved learning and went on to achieve specialties in Reading, Psychometry, Special Education, and Counseling. Zelpha's teaching career spanned twenty-nine years. She taught at or was a counselor at Comanche, Oney, Carnegie, and Walters Public Schools.Even after retirement she volunteered at Comanche Public Schools.

An accomplished seamstress, she sewed many clothing items for her family. After she retired, she began making quilts. Her talents were prolific and she made multiple quilts for her son, daughters, grandsons, and granddaughters. She was a member of the Oklahoma Homemakers College Extension and the Oklahoma Quilters Guild. During retirement, Zelpha and Harold Don became active members of the Duncan Antique Car Club. They could regularly be seen cruising Stephens County in their '55 Chevy Bel Air.

Zelpha was baptized into the Church of Christ in Nocona, Texas, in 1961 and was a member of the Comanche Church of Christ. She is survived by Harold Don, her husband of sixty-five years; by her children: Mark Taylor and wife Vickie of Carnegie, Oklahoma, Donna Taylor of Edmond, Oklahoma, and Karen McCullough and husband Tom of Apache, Oklahoma. For the Future of *The Christian Courier*

Hey everyone, Jerry, Matt, and I, have been working with Ellis to make our church paper more appealing to all church members. It seems in the past when changes were made, Ellis *always* got a negative response from *one or two people*. He was reluctant to make changes so as not to offend anyone. If we want the paper to grow and improve, we must let Ellis know what we think. He needs input from all church members. Also, please let him know how much you appreciate his hard work and time that he puts in to getting the paper out each month. He has been doing this for a long, long time, **SINCE 1994**! Over time, he would like to have less responsibility, and begin to serve in more of an advisory capacity. We are thankful for his knowledge and experience and need his input to continue.

PLEASE, IF YOU LIKE THE CHANGES, — (and there are more changes coming!!!)

LET US KNOW!! Also, let us know other areas that you would like to see added, removed, changed, or improved. We would like the paper to become something that everyone in your family looks forward to receiving each month. The only way our paper can improve is with **everyone's help!**

Repeating myself, WE NEED articles & letters, I would like to request that each article also include a picture of the author, or authors! Remember that they don't have to be long. Sometimes a short word is more effective and gives us food for thought. Write what God puts on your heart to share with His Church.

Thank You for Your Help!!

Delta Gospel Camp Meeting – Church of Christ

Campers, this year has been a very trying time for all, We had to cancel camp 2020. This year we have had many yes and then no about camp 2021.

Mike and Melissa, Robert and Christina have worked very hard to make Camp 2021 a great success. I have been in contact with the camp secretary and she and the board and the head office has been negotiating how to open all their camps.

Conclusion: No more than 40 campers and No multi states attending. We have looked for more group camps with needed facilities. We have found none for our group this year. I know this is not what any of us wanted to hear. Please let God direct our footsteps and make the way bright for us.

This too shall pass. We are traveling the narrow path and working to enter the everlasting Camp Meeting Beyond the Blue. Let's do what we can and help each congregation to be uplifted. If a gospel meeting is happening, go if you can, this will uplift the host congregation as well as you. We must encourage each other, keep a positive attitude and shine our lights.

Love and prayers for us all and may God bless you.
