Revelation 9:1-21 (1) And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.
(2) And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.
(3) And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.
(4) And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.
(5) And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.
(6) And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.
(7) And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men.
(8) And they had hair as the hair of women, and their teeth were as the teeth of lions.
(9) And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle.
(10) And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.
(11) And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

(12) One woe is past; and, behold, there come two woes more hereafter.
(13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,
(14) Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates.
(15) And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.
(16) And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.
(17) And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone.
(18) By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.
(19) For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.
(20) And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:
(21) Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

These demon locusts are thought, by many commentators, to be a predictive picture of the rise and spread of Mohammedanism; or, of the tribulation period of the last days; or, both.
Here are some of the things that make it look like this Fifth

Trumpet might refer to Mohammedanism. "Locusts" (9:3). "Shapes of Locusts like War-Horses, with Scorpion-like tails, Crowns like Gold, Faces like Men's Faces, Hair like Women's Hair, Teeth like Lion's Teeth, Breastplates as of Iron, and Wings that sounded llike Chariots and Horses rushing to War" (9:7-10). This is indeed a very good description of Mohammedan Armies, composed of Fierce, Relentless Horsemen, famous for their Beards, with Long Hair llike Women's Hair, with Yellow Turbans on their Heads that looked like Gold, and they had iron Coats of Armor.

Chapter 9:12-21 The Sixth Trumpet

This also may be a predictive picture of Mohammedanism, with a possible more literal fulfillment in things yet to be.
ARABIANS ruled Mohammedan World 400 years (A.D. 630-1058). TURKS then took over, and have been in control almost till now. This trumpet seems to point to Turkish Mohammedanism. "Out of the Horses' Mouths proceeded Fire, Smoke, Brimstone" (9:14). It was at the battle of Constantinople (A.D. 1453) that Artillery with GUNPOWDER was first used; which gave victory to the Turks; the "Fire, Smoke and Brimstone," of 9:17.}

Now turn with me to;

1John 2:18-19 (18) Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.
(19) They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us.

2John 1:7-11 (7) For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.
(8) Look to yourselves, that we lose not those things which we have wrought, but that we receive a full reward.
(9) Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ,

he hath both the Father and the Son.
(10) If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed:
(11) For he that biddeth him God speed is partaker of his evil deeds.
John is writing directly about antichrists; which meaning is "those who oppose Christ." John says there were many antichrists. Today the Muslim antichrist is a great concern. Mohammedans oppose Christ, and state God does not have a son. Their diabolical hatred of the Christian religion is a known fact. John's advise, do not invite antichrist into our house.
{Why Stop Muslim Immigration Thursday, November 27, 2014
The following is adapted from Dr. Peter Hammond's book: Slavery, Terrorism & Islam: Historical Roots and Contemporary Threat.
When politically correct, tolerant, and culturally diverse societies agree to Muslim demands for their religious privileges, some of the other components tend to creep in as well. Here's how it works. As long as the Muslim population remains around or under 2% in any given country, they will be for the most part be regarded as a peace-loving minority, and not as a threat to other citizens. This is the case in:
United States — Muslim 0.6%
Australia — Muslim 1.5%
Canada — Muslim 1.9%
China — Muslim 1.8%
Italy — Muslim 1.5%
Norway — Muslim 1.8%
At 2% to 5%, they begin to proselytize from other ethnic minorities and disaffected groups, often with major recruiting from the jails and among street gangs. This is happening in:
Denmark — Muslim 2%
Germany — Muslim 3.7%

United Kingdom — Muslim 2.7%
Spain — Muslim 4%
Thailand — Muslim 4.6%
From 5% on, they exercise an inordinate influence in proportion to their percentage of the population. For example, they will push for the introduction of halal (clean by Islamic standards) food, thereby securing food preparation jobs for Muslims. They will increase pressure on supermarket chains to feature halal on their shelves — along with threats for failure to comply. This is occurring in:
France — Muslim 8%
Philippines — Muslim 5%
Sweden — Muslim 5%
Switzerland — Muslim 4.3%
The Netherlands — Muslim 5.5%
Trinidad & Tobago — Muslim 5.8%
At this point, they will work to get the ruling government to allow them to rule themselves (within their ghettos) under Sharia, the Islamic Law. The ultimate goal of Islamists is to establish Sharia law over the entire world.
When Muslims approach 10% of the population, they tend to increase lawlessness as a means of complaint about their conditions. In Paris , we are already seeing car-burnings. Any non-Muslim action offends Islam, and results in uprisings and threats, such as in Amsterdam , with opposition to Mohammed cartoons and films about Islam. Such tensions are seen daily, particularly in Muslim sections, in:
Guyana — Muslim 10%
India — Muslim 13.4%
Israel — Muslim 16%
Kenya — Muslim 10%
Russia — Muslim 15%
After reaching 20%, nations can expect hair-trigger rioting, jihad militia formations, sporadic killings, and the burnings of Christian churches and Jewish synagogues, such as in:

Ethiopia — Muslim 32.8%
At 40%, nations experience widespread massacres, chronic terror attacks, and ongoing militia warfare, such as in:
Bosnia — Muslim 40%
Chad — Muslim 53.1%
Lebanon — Muslim 59.7%
From 60%, nations experience unfettered persecution of non-believers of all other religions (including non-conforming Muslims), sporadic ethnic cleansing (genocide), use of Sharia Law as a weapon, and Jizya, the tax placed on infidels, such as in:
Albania — Muslim 70%
Malaysia — Muslim 60.4%
Qatar — Muslim 77.5%
Sudan — Muslim 70%
After 80%, expect daily intimidation and violent jihad, some State-run ethnic cleansing, and even some genocide, as these nations drive out the infidels, and move toward 100% Muslim, such as has been experienced and in some ways is on-going in:
Bangladesh — Muslim 83%
Egypt — Muslim 90%
Gaza — Muslim 98.7%
Indonesia — Muslim 86.1%
Iran — Muslim 98%
Iraq — Muslim 97%
Jordan — Muslim 92%
Morocco — Muslim 98.7%
Pakistan — Muslim 97%
Palestine — Muslim 99%
Syria — Muslim 90%
Tajikistan — Muslim 90%
Turkey — Muslim 99.8%
United Arab Emirates — Muslim 96%
100% will usher in the peace of 'Dar-es-Salaam' — the Islamic House of Peace. Here there's supposed to be peace, because

everybody is a Muslim, the Madrasses are the only schools, and the Koran is the only word, such as in:
Afghanistan — Muslim 100%
Saudi Arabia — Muslim 100%
Somalia — Muslim 100%
Yemen — Muslim 100%
Unfortunately, peace is never achieved, as in these 100% states the most radical Muslims intimidate and spew hatred, and satisfy their blood lust by killing less radical Muslims, for a variety of reasons.
"Before I was nine I had learned the basic canon of Arab life. It was me against my brother; me and my brother against our father; my family against my cousins and the clan; the clan against the tribe; the tribe against the world, and all of us against the infidel." — Leon Uris, "The Haj" Posted by Citizen Warrior at 4:23 PM/Labels: Muslim immigration**}**
The sixth angel of ch. 9:13 appears again, turn with me to;
Revelation 16:12-21 (12) And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.
(13) And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.
(14) For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.
(15) Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.
(16) And he gathered them together into a place called in the Hebrew tongue Armageddon.
Revelation 9:14 and Revelation 16:12 are about the same thing; Remember that in A.D. 1057 a vast hord of Turks appeared on the banks of the Euphrates. In their westward

march they replaced the Arabians as rulers of Mohammedan lands. Under the Ottoman Turks, Islam's most successful expansion of territory occured, a period refered to by Muslims as the second great jihad, Biblically that would be the 2nd woe (Rev 9:12). Battle lines being drawn for Armageddon. The Dragon, Beast, and False Prophet muster their demon armies for one last desperate attack on the Church of our Lord Jesus Christ. The Dragon-Satan: the Beast-the Apostate church: The False Prophet or antichrist-Mohammed. Another point of concern is Rev 16:19, the great city was divided into three parts. *Today Jerusalem is divided into three parts; one part Christian, one part Jewish and one part Islam. A more destructive division than this, I can think of none. The near east is a power keg because of this division. If Jerusalem is the great city, then the seventh angel has poured out his vial, and time must be dwelling somewhere within the 7th vial. What will happen in;* **{The Third Jihad**

Partly because of a new and indiscriminate tolerance, and partly because of a huge influx of jizya, Orthodox Islam has grown into a "third jihad." The term refers to the murder of non-Muslims around the world (for the crime of being non-Muslims), but includes much more than that. There are many ways to wage jihad, and nearly every Muslim can play a part.

For example, orthodox Muslims have deliberately emigrated into foreign lands in order to fulfill Allah's command to make the whole world submit to Islamic law. In those new countries, they are organizing and building up their political power. Orthodox Muslims are recruiting new Muslims into their ranks every day. Some have gained vast wealth and are using it to build mosques and madrassas all over the world. Islamic supremacists have infiltrated the political machinery in Western nations, they've successfully manipulated the press and disabled and silenced resistance against them, and of course, they are also killing non-Muslims around the world. This

is the third jihad.
Jihad means "struggle," but a particular kind of struggle. Jihad means to struggle to make Islam dominant over all other religions and governments. This is one of the religious duties of all devout Muslims, and according to Mohammad, it is the most important obligation a Muslim must fulfill.
The first jihad started with Mohammad. His armies conquered all of Arabia. In the hundred years after his death, his armies conquered most of the Middle East, North Africa and Spain. The first jihad lasted from 622 AD until 750 AD.
The second major jihad started in 1071 AD. Islamic armies toppled Constantinople and spread into Europe, India, and further into Africa. The second jihad began to decline when the Muslim army was stopped on September 11th, 1683 at the gates of Vienna, Austria.
The Islamic push to dominate — all other cultures, all other religions, and all other governments — has never stopped. But we are referring to large waves of success for the Islamic expansion; periods where vast new territories were brought under the control of Sharia law.
Now we are in the third jihad, the third great wave.
Non-Muslims in the past have fought back, of course (otherwise the whole world would already be ruled by Islam). Some successfully resisted subjugation.
But many countries and cultures took too long to recognize the threat or organized their resistance too slowly, and they were swallowed up by Islam's relentless aggression. So we have 57 countries today who are Islamic enough to be members of the OIC. (Organisation of Islamic Cooperation)
Orthodox Muslims are waging jihad in subtler and more clever ways (waging jihad by gaining concessions, for example), in addition to simple violent aggression, but non-Muslims around the world are beginning to notice the pattern and are rousing themselves to defend their cultures, their religions, their governments, and their lives. (Posted by Citizen Warrior)}

What next? What is to come near the end or after the third woe? This is a difficult question to answer by earthly means, after all, if the seventh angel has poured out his vial, his was the last! However one thing to remember is this; But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day (2Pe 3:8). *Don"t be confused by what some say, that a day is a thousand years. What 2Peter 3:8 means is, God is not bound by time. Now Revelation is hard to understand, and often a topic is picked up again in a later chapter, such is the case in chapter 9:14 and chapter 16:12. On this information we will attempt to answer, what next? There are two places in Revelation that give a clue;*

Revelation 6:2 And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

Revelation 19:11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

The rider on the white horse is none other than Jesus Christ. Why is the bow signified? To show forth the launching of gospel arrows into the hearts of men. This first happened in Acts 2:37 *which says;* they were pricked in their hearts. *If you have been blessed by the spirit of truth make your calling sure by faith; But how? Faith in Christ is the effect of belief and being exonerated thru the ordinance of baptism established by Him for the remission of sins. Salvation is to those who first believe the testimony of God, by faith repent, confess Jesus Christ is the Son of God, and submit to baptism to gain all blessings in Christ, assuring them of pardon. Are you ready for a change of state, from sinner to saved? If so, we happily await your confession. Also if there is need of prayer for other reasons, come while we persuade with song.*
