Tribute to Darlene Warford
by one who loved her very much

Where has my baby gone
to be with Jesus
but not alone

Darlene, Darrell and Jack
they are waiting for us
they will not come back

Where is her little hand I held
and her smiles and hugs she shared
In paradise Jesus said

Ashes to ashes, dust to dust
God has reclaimed what He lent to us
a new body to be raised for her

She was my wife of 52 years
the time seems so short
surly my time must be near

Oh, To be with her
and those who loved
Father, Son and Holy Ghost

Her best friend, lover and husband,
I love you Darlene forever
Jack
