

On the Resurrection Morning
Part 3 of 5

The Incorruptible

1Co 15:45 And so it is written, The first man Adam was made a living soul; the last Adam *was made* a quickening spirit.

Here's what the Greek scholar Thayer says:

Living soul - the soul as an essence which differs from the body and is not dissolved by death.

Quickening spirit - a human soul that has left the body.

There are many different definitions that Thayer gives for both of these words but I think that these actually fit the situation here that we're talking about.

1Co 15:46 Howbeit that *was* not first which is spiritual, but that which is natural; and afterward that which is spiritual.

1Co 15:47 The first man *is* of the earth, earthy: the second man *is* the Lord from heaven.

1Co 15:48 As *is* the earthy, such *are* they also that are earthy: and as *is* the heavenly, such *are* they also that are heavenly.

1Co 15:49 And as we have borne the image of the earthy, we shall also bear the image of the heavenly.

In these verses here the apostle Paul was trying to tell us that there's a correct or-

der of things, that God sat down from the foundation of the world. That the natural man has to come first, the earthly man has to come first, because he's the shell that dies so that the spiritual man, the celestial man, can be brought forth.

2Co 4:18 While we look not at the things which are seen, but at the things which are not seen: for the things which are seen *are* temporal; but the things which are not seen *are* eternal.

The heavenly the things, that are the eternal things, are these things that we can't see with these human eyes, with these earthly physical eyes.

Now we come to the scriptures that had confused me for years because I didn't understand correctly the verses that we just went over.

I knew that this earthly man would turn to dust, and I knew that a spiritual man, one that we can't even understand, probably would be raised up, but I just couldn't make my mind wrap around the way God had said it in order.

1Co 15:50 Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption.

Just like the apostle Paul has been telling us this body isn't fit for the Kingdom of God, not the one in heaven. It's flesh. it's earthly, it's terrestrial, it's corruptible it can't be eternal.

1Co 15:51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,

So now the apostle Paul's going to reveal to us something brand new, a mystery, something that hasn't been understood since the foundation of the world, not by man anyway. He tells us that we may not all be dead, but we all will be changed.

1Co 15:52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

It's gonna be fast, it's gonna happen in a split second, no longer than it takes to blow the trumpet and the dead will be raised incorruptible and then we will be changed incorruptible also.

1Co 15:53 For this corruptible must put on incorruption, and this mortal *must* put on immortality.

It's something that has to happen. These earthly, physical, dustbag bodies aren't made to go to heaven.

1Co 15:54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then

shall be brought to pass the saying that is written, Death is swallowed up in victory.

Now we get to the core of the matter, this is the part that had eluded my understanding for so long. I had a misunderstanding of corruptible and incorruption of mortal and immortality.

The word corruptible here means something that is decayed. That would be the bodies in the ground. The word mortal means something that is liable to die. Which means the living at Christs return.

The word incorruption here means an unending existence. And the word immortality simply means deathlessness.

The apostle Paul here is telling us that these bodies are gonna put on deathlessness an unending existence.

The words “put on” in the Greek mean like sinking into a garment.

So does this mean that these earthly physical bodies are simply gonna be made into a body that never dies and that's the body that we're gonna have?

No absolutely not! When this body puts on incorruption, when this mortal puts on immortality our bodies are gonna change because of it.

It's just like the acorn, it's got a shell around it that has died finally and the seed that's alive inside of it is gonna get to come forth.

Thought for the Month

Psalms 46:10 teaches us to “Be still and know that I am God.” But what does that actually mean? Could it be that we’re being asked to quiet our minds so that we can hear God speak to us and answer our prayers? I believe He answers our prayers every day, even those we’ve forgotten that we’ve asked. Are our psyches uncluttered enough to recognize and hear those answers? For example, do we get foul-minded at a red traffic light, and in doing so miss the wonderful opportunity God has opened up for us to speak to him through prayer? There are many little situations like this through our days. Prayer is another wonderful way to quiet our minds. So is reading and studying His Word. Letting your focus and awareness rest on Him is a wonderful way to be still. And in that stillness come to know Him.

Love & blessings… Jesse Warford

Ringgold, Texas

Hello to all in the service of our Lord Jesus Christ. I apologize for taking so long to write and stay in touch with everyone. Just lazy I guess. Spring is here and moving toward summer. We have been blessed with a mild winter and now spring rains. Such a blessing for the grass to be green and growing and to enjoy the beauty and glory of spring wildflowers. All glory to God in Jesus' name for showing His glory in the flowers and grass around us. When I see the beautiful display and explosion of color of these I remember Matthew 6:28-29 "And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin; And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these."

We are all blessed to be in good health here and we give all glory to God. Maxine has been receiving infusion treatment to help with her energy and balance. As we get older we find out some things don't work as good as they did years ago. We always ask everyone in our area to stop and attend Church with us. We continue to pray for everyone and ask to be remembered in your prayers too.

We are sending a check to help with Cedaredge Camp meeting. At this time we are not expecting to be there.

With love for all in Christ

Yuma, AZ

Greetings Brothers and Sisters,

We would like to say hello from Yuma. Our meeting was back in March and is long past and as always it was a success. Our numbers attending were down quite a bit but you would never know it by the desire to hear and participate by those that were here. The lessons that were brought were all delivered to a very receptive audience. I can say personally that I enjoyed hearing from each and everyone of those that brought us the Words of God each and every night of the meeting and I'm certain that all that heard the lessons were uplifted greatly. It's very important as Christians that we of like mind are reminded of how we are to live our lives while in this world that is turning upside down right before our very eyes. To take a single step towards the world and the evil that surrounds us daily can be a very dangerous step and we need to wrap ourselves in the safety of God's people. We can't begin to express our appreciation for those that came to attend and be with us in Yuma. Our appreciation for those that helped us in all of the other things that are necessary to make it a success. A special thank you to Deb and Terry Wilkerson that join us in December every year, they started the work well in advance of the meeting to get things organized and cleaned up and all of the others that helped in the Kitchen; if I tried to name them all I would certainly forget someone so I won't even try to name them all but thank you all so very much. We love you all very much.

Our local congregation news is very boring, so I guess that is a good thing that we are all in pretty good health and nothing much to report. However the Yuma news is beginning to match the ...

(continued…) news of some of the larger cities with murders, gang violence, robberies in the stores and even banks being robbed. We need to definitely test not only our weather as well as the condition of the world, we are told to watch out for the times to be prepared always for the time that God will send Jesus to gather the righteous as well as the unrighteous. As it happens every year that warm weather is on it's way, our good temperatures have been extended a few weeks but the inevitability of the hot days will come soon. We will begin thinking on next years meeting and praying that it will be as well attended as this years meeting was. We always love being with you all for even that short week as each and every one of you are so important to our lives.

In Christian love,
for the Yuma Congregation,
Denny and Susie Davis

Ps. Good morning,

Thanks for keeping up the Courier. I apologize for my negligence in not sending a check for support sooner, time got away from me. Being retired and not having much to do seems to keep me pretty busy. We pray everyone is doing well and keeping unspotted from this deteriorating society. Stay strong in The Word, in The Lord, and in the faith. We as Christians must continue to be the light of the world, even in all the discouragement around us. We are to stand tall because we are the children of the Living God. Sometimes we may feel like Elijah, alone in our belief, but just as God reminded Elijah he was not alone, so does reading news from other congregations. (Amen! -Ed) Keep up the good work.

News from Abroad

FALSE PREACHERS IN KENYA

"Many false prophets will arise from among the people. They will deceive many and lead them astray from the truth (Matt. 24:24).

Jesus knew that there would be those who would take advantage of the innocence of the sheep. Therefore, He warned the sheep that false prophets would come. Jesus warned, "Beware of false prophets, who come to you in sheep's clothing but inwardly they are ravenous wolves." (Mt. 7:15).

In the recent months it was discovered that there was a preacher, who calls himself a prophet. This man had successfully drawn so many people to him and to his denomination called "International Good News Church" he started from 2017 at Kilifi at the Costal Province of Kenya. He preached and taught that this is "end of time", Jesus is coming for His final judgment of the world. Now his followers were directed into a forest which it said was his farmland. Here they were told to fast to death. No eating food, no drinking even water till one dies. There was no need of eating and remain alive to face the judgment when Jesus returns. And this is very soon, the man said to his followers.

The government discovered what was going on in the forest, only to find out that many people (till yesterday more than 30 bodies of men, women and children had been exhumed from the shallow graves) had lost their lives. As I write to you the person Mr. Macknzie has been arrested. This is the news that is trending in the media houses in Kenya.

Now because of what is happening as far as religious groups are concerned, the government has announced that all Churches in Kenya should be investigated as following: -

1. The qualification of the preacher
2. The doctrine of each church or denomination
3. The mission of the church
4. The vision of the church
5. The organization of the church etc.

I am now planning to prepare the church of Christ document showing the above required information by the government of Kenya before we are caught unaware. That is to say we shall all, as church leaders be required to present ourselves to the authority.

God bless you.
Your Brother in Christ,
John Kombo

Brother Kombo,

So hard to see this. It makes the churches look bad in Kenya which will cause extra work and money to defend the good churches.

I just read about this in our papers this morning. Makes me so sad to hear about it.

Will be praying for peace among the churches and Christians in Kenya.

Blessings, Foreign Missions Committee

Dear brethren,

We hope that you are all doing fine in the Lord. We are also doing fine in Him that strengthens us daily. We had safe Travel to Babati where we had a four day meeting. There was a good response to this meeting because many people attended. There was forty adult attended including seven children. Thank God that the seeds has been planted and now we wait for the outcome of it. They want us to go back Lord willing next year.

On this trip we met a Pentecostal group, the leader of this group opposed us on the first day we met but later on he came to his understanding. He wanted us to go and talk to them in details but I told him instead of us going to them why shouldn't they come and join us at the meeting. He agreed and he came with twelve people. He promised to get to us soon after we are gone. Most people in that village follow his teachings and they call him "reverend". He said they will switch after reading if what we are telling them are so. One of them in this group gave us a wrong verse concerning the those on the day of Pentecost and those who were baptized with the baptism of John. I first told him to read Acts 17:11-12, the noble Jews who searched the scriptures to see what they were told were so. Brother Joseph, told him to read Acts 2:1-3, where the Bible say "And when the day of Pentecost was fully come..." I asked him what did that passage just said? And he said "when the day of Pentecost." I mention to him that it was a day when the disciples came together as we are now but it was not a church.

There was six lessons preached and taught in outline form. These are the lessons taught but in Swahili form, "But If Our Gospel Be Hid, God Deserves Our Best, Steadfastness, The Church At Pergamos, Walking Honestly, Why Do We Need To Hear God's Word?"

Through prayers we hope this group is going to change and switch to the true church.

Your brother in Christ, Sadat.

Milk of the Word

Introducing our new column, Milk of the Word, which will host easier to understand articles and topics geared towards educating and edifying our younger members. -Ed

The Beginning Day 1

Did you know that in the beginning, God created the heavens and the earth? The bible tells us all about the beginning in the very first book of the bible called Genesis. The word Genesis means "the beginning". In Genesis chapter 1 and verse 1, we read, "In the beginning God created the heaven and the earth." Verse 2 goes on to tell us, "And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters." Have you ever been in a pitch black room where there was no light to help you see? Thankfully in verse 3 of chapter one, we can read "And God said, Let there be light: and there was light." We can't even begin to imagine what this must have been like. There had never been light before and God made light! Remember what it is like in a pitch black room, now think what it must be like for the light to come on in that room! Now you can see everything! Chapter 1 verse 4 tells us, "And God saw the light, that it was good: and God divided the light from the darkness." Verse 5 says, "And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day." Even though the world may try to tell us different things about how our world was created, we know that God made the heaven and earth and, on day one, he also made light.

1. The first book of the bible is called _____
2. Genesis means _____
3. Who made the earth?_____
4. What day did God make light? _____

GOSPEL NEWS COURIER

LA HABRA, CALIFORNIA, MARCH 1963

WESTVILLE, OKLA., Jan. 29, 1963--- Dear Bro. Snoddrly: -I have thought I would write you for some time to let you know that I think you are doing a wonderful job in your efforts with the Gospel News Courier. I enjoy reading it very much. The good articles which appear in it, also the news and happenings of the faithful everywhere.

I received a copy of the Courier last month sent to my old address in Springdale, Arkansas. Please check that address off your mailing list. I have been getting the paper through the church at Stillwell where I attend services. Bro. Daniels receives the papers for this congregation.

I have appreciated the articles which have appeared in the last few issues from our talented and faithful brethren who have passed on to our maker and judge. It makes me wonder if we will ever have others who will obtain the knowledge and have the courage to spread the word of God as those old soldiers of the Lord did.

My grandfather, A. J. Jernigan, was another of the faithful gospel preachers of his day. He stood for what the Bible taught in every way. I don't remember just when he departed this life, but it was in the thirties I think. The last few sermons he preached, he sat in a chair, as he was not strong enough to stand when preaching a sermon.

The other day I was going through some of the old religious papers we were discarding and found an article, or rather it was a reply to another article which appeared in an earlier issue, which my grandfather answered. I don't know whether or not you would care to use it, as it is only a reply. But in case you do, I'm sending a copy of it. I am also sending a few of Bro. Musgraves articles which I got out of some of these papers.

Give our regards to all the faithful out that way. We have met many of the brethren, both at La Habra and those who are now meeting at Bellflower, when we were living out that way. -----Yours for the whole truth,

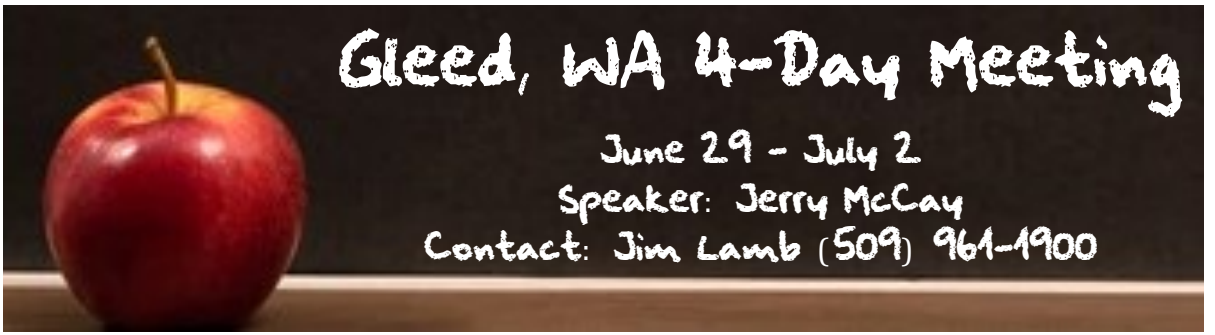

--- L. E. Atchley.
