I Am a Reader of The Truth and
have Been for 2 years & Like it Better
All The Time. And there is Some of
My Reasons. Facts it Does not Seem to
Exalt The Pioneers and its Teaching as on
The Bible. 3rd. its an open Forum. I Very
much like these Principles. for I Believe a
Man can Be Honest and yet Be Wrong
and to Give Him a Chance to Show his Fel-
low Men Where The Wrong of his Belief
is might Be That he Could See it and
Lay it Down. I See Bro E.H. Miller got
Corrected That it was Wrong to Break The Loaf
in Two Pieces. and They Was Two of them
The Communion Scriptures. i am just
Wondering How Many Pieces is Scriptural
if Two is Scriptural I have Bro Price
Book The Voice. But I have always Judged
from The Bible On just what it was
Right. So I Do Not Fancy Reading The
Truth I Love to See what Bro Believe
and Why The Believe What The Do
Believe So I am Well Pleased With The
Truth. Think More of it Than any Paper
I Know of Both Morgan. Ed & Ky. Title
